REMARKS

Claims 23-29 remain pending in the application. Claims 1-22 have been cancelled. Claims 23-29 are new. Basis for the amendments and new claims can be found throughout the specification, claims and drawings originally filed.

CONCLUSION

If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: February 6, 2004
